Custom built kitchens

Luxury designer kitchens, bespoke, created by craftsman.

We have a full range of door finishes including hardwood, aged, painted, high gloss plastic coated ...

Cabinets available in standard sizes and made to measure to fit your kitchen, with the latest technology fittings.

Premium high quality or more affordable kitchens - it's your choice.

Possibilities include:

- Any shape, size and design. One off kitchen furniture and fittings designed to match other furniture and surroundings
- Fitted or free standing
- Hard wood finishes: vanished, waxed, aged, French polished...
- High gloss plastic finishes
- Hand painted finishes
- Unit carcasses matched to doors
- Larder units, pantry units, pull out units, corner units, islands, breakfast bars, tall cupboards, short cupboards, slim cupboards
- Custom mouldings, trims, legs or valances
- Latest technology innovations with soft close slides and soft closes for drawers and doors
- Completely custom built to suit your requirements or select from pre-designed standard units if you want the same high quality but at a more affordable price
- Extensive range of luxury stone worktops, appliances, sinks and taps also available

We can also design and build other furniture such as dining or living room pieces to match the kitchen.
